

CONDITIONS FOR USE OF SCHOOL TRANSPORT

The school bus service available for Institut Florimont students covers the Geneva area, the Canton of Vaud and neighbouring France.

You are advised to apply as early as possible as the number of places is limited. Applications are for the full academic year. The provision or continuation of a bus route depends on the following criteria:

- number of students registered;
- application requests received by deadline;
- applications from previous year;
- return journey requests;
- distance between home and school;
- length of route.

ROUTES AND TIMETABLES

Routes and timetables are devised according to applications and confirmed in writing by the end of August.

Any one-off or provisional request to change to a different route must be made to the school bus service at least 48 hours beforehand (tel. 022 879 00 00/reception@florimont.ch) and depends on whether there is space available on the required route.

Students must **wait for the bus** at the bus stop indicated (usually TPG bus stop) **at least 5 minutes before the scheduled time**.

In the event of bad weather, the Management reserves the right to change the timetables or cancel the service without warning.

The Management reserves the right to change the timetables, routes, bus stops and/or move a student from a bus route during the year if required for operational reasons.

CHANGE OF ADDRESS DURING SCHOOL YEAR

As there is no guarantee of a place on another route, the school bus service must be notified of any changes of address as soon as possible so that a solution can be found.

FEES/CANCELLATION

School bus fees are invoiced separately from tuition fees and are payable in full at the start of the academic year. No fees will be deducted or reimbursed if a student is absent

because of an exceptional change to the school timetable.

Requests to cancel school bus applications must be received no more than 3 days after the bus time and bus stop information has been sent to parents.

There are three registration options available: "return" (annual rate), "to school only" (65% of the annual rate) or "home only" (65% of the annual rate) with a single destination for the return journey (see school bus rates).

Applications to use two different bus routes (e.g. every other week or particular days) will be calculated on the basis of the annual rate for the longer route (100%) and the annual rate for the shorter route (50%).

A fee of CHF 22 per student is payable for occasional use of the school bus.

An additional CHF 150 is payable for any change to the usual route.

The Institut reserves the right to ban any child who does not comply with the school bus rules from using the service (see 'Code of conduct'). If a child is banned, no fees will be reimbursed.

BEHAVIOUR

The rules for using school transport come under the Institut Florimont's General Regulations. Action will be taken if a student is found to be acting maliciously.

The Institut reserves the right to ban any student who does not comply with the school bus rules from using the service (see 'Code of conduct'). In the first instance, the student will receive a warning. After three warnings, he/she will be temporarily or permanently banned from using the school bus. School bus fees are not reimbursed if a student is banned.

CODE OF CONDUCT ON SCHOOL BUS

Student's last name, first name and class:

RULES

1. Students must be at the bus stop promptly, according to the school bus timetable (3-4 minutes before bus is due to arrive).

3. Students should greet the bus driver politely.
4. Passengers must not vandalise or damage the bus or people's belongings. If a student causes damage to the bus or any item, the cost of repair or replacement must be paid by the student and/or their parents.
5. Once seated, students must fasten their seat belt and keep it fastened until they have reached their destination.
6. Students should talk quietly – no shouting or whistling. It is forbidden to use insulting or offensive language in the bus.
7. Students should be mindful of younger passengers and help them if necessary.
8. Students must not talk to the driver when the bus is moving, except in an emergency.
9. Students must not argue or fight on the bus.
10. Students must behave considerately and safely at all times, especially when getting on or off the bus.
11. Students must follow the driver's instructions at all times.

15. Put their head or arms out of the windows;
16. Throw items inside the bus or out of the windows;
17. Eat and drink on the bus;
18. Touch the door mechanism;
19. Leave litter in the bus;
20. Damage seats or other parts of the bus;

If a student does not comply with these rules, parents will be notified in writing. If the student persists, he/she will be temporarily or permanently banned from using the school bus. School bus fees will not be reimbursed if a student is banned.
